

INFORMATION ON THE PROCESSING OF PERSONAL DATA

TECNAIR LV S.p.A. (hereinafter "Company") makes this disclosure pursuant to and by effect of art. 13 of Regulation (EU) 2016/679 (hereafter "GDPR"), concerning the protection of individuals with regard to the processing of personal data, in order to let you know the purposes and methods of processing any personal data that you may communicate during browsing this website (hereinafter "Website").

Please note that this information refers only to the Website and not to third party websites, which may be accessed by the User through the links contained within the Website.

CATEGORIES OF DATA PROCESSED

Navigation data

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This is information that is not collected in order to be associated with interested parties identified, but which could by their very nature, through processing and association with data held by third parties, allow users to be identified. This category of data includes, for example, IP addresses or domain names of the computers used by users connecting to the site, the addresses in the Uniform Resource Identifier (URI) of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (good order, error, etc.) and other parameters related to the operating system and the computer environment of the user. These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing.

Data provided voluntarily by the User

The optional, explicit and voluntary sending of emails to the addresses indicated on the Website entails the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message. Specific summary information is also reported or displayed in the sections of the Site prepared for particular services on request and submitted, if necessary, to the consent of the interested party.

Cookies

In compliance with the Provision of the Guarantor for the protection of personal data n. 229 of 8 May 2014, on the "Identification of the simplified procedures for the information and the acquisition of consent for the use of cookies", the Company informs users about the use of browsing cookies on this Site. This information refers only to the Website and not to the websites of third parties, which may be accessed by the User through links within it.

What are cookies
